Care Rights UK

Care Rights UK offer information, advice and support to guide people using care services, their relatives and friends.

You can get free, independent advice from their telephone helpline advisers. Email for advice, phone during their opening hours or book a 30 minute appointment using their website.

They provide information to guide you through some common problems that people who need care face in England. See their website for more details.

This is a partnership with The Relatives & Residents Association. They support and campaign on behalf of older people who need care in England.
