EU Settlement Resolution Centre online

The EU Settlement Scheme (EUSS) was introduced to offer EU, EEA, Swiss citizens and their eligible family members living in the UK before the end of the transition period the opportunity to protect their right to live in the UK after the transition period ended. The scheme also protected other rights including access to healthcare, benefits and pensions.

Applications to the EUSS closed on 30 June 2021. In some cases, you can still apply after 30 June 2021. Check their website for further details.
