Involvement Team - NHS North East and North Cumbria ICB

NHS North East and North Cumbria ICB Involvement team runs the Forum for Newcastle Patients, Members of the Public and Voluntary Sector Organisations. They meet every 3 months to:

- hear more from the Integrated Care Board and other organisations on their work
- explore different themes and topics
- give patients and members of the public a voice, to help shape the work of the ICB and raise issues that are important to you

They're looking for new people to join the forum and would love to hear from you

They use Relay UK to help people with hearing and speech difficulties communicate by phone. They can arrange an interpreter for you (including BSL) to attend their events.
