Youth Employment Service North East (YESNE) - Employment Futures

Youth Employment Service North East (YESNE) is a local youth employment service working to reduce the number of neurodivergent young people (such as autism, learning disability, dyslexia or Tourettes) who are not in work, education or training in or around the Tyne and Wear area.

Funded by Youth Futures Foundation they work to break down barriers for neurodivergent young people who may be struggling to get a foot on the career ladder.

It is their mission to reduce youth unemployment by enhancing the skills, experience and confidence of 18 to 22 year olds and help them to identify their next steps.
