

Tin On A Wall North Tyneside and Newcastle

Based in North Tyneside, a team of volunteers collect non-perishable food and essentials every first Saturday of the month (except January) left outside their home visible from the street or path. Volunteers are provided with leaflets to post to neighbours to let them know that they will be collecting on Saturday. Volunteers start collecting from 11am in Newcastle and 2pm in North Tyneside. Tin On A Wall then gift all donated food to various charities, social stores and community groups.
