

The Late Shows

The Late Shows is an award-winning late-night free culture crawl.

During The Late Shows, museums, galleries, studio collectives and landmark historical buildings come together to offer one-off events including hands-on workshops, behind-the-scenes tours, performances and parties. It's the perfect way to sample the best of Newcastle and Gateshead's cultural offer in short taster visits.

Every year many arts and culture organisations get involved and people volunteer to support the events running during The Late Shows. If you would like to be involved [you can find out more on their website here](#)
