Information for people in Newcastle upon Tyne

Findaway

Findaway offer practical information, signposting and advice to people who are worried someone they know is being controlled, scared, or hurt by their partner, ex-partner or family member.

Phoneline advocates provide those best placed to support (family, friends and community members) with knowledge and skills needed to effectively support the person you're worried about.

They also provide information and resources for supporting someone in controlling and potentially dangerous relationships, scared by a partner or family member or experiencing domestic abuse,
