

St Oswald's Hospice

St. Oswald's Hospice is a charity that provides care for people with incurable conditions. They provide:

- **specialist patient-centric care** for adults, young people, babies and children with life limiting conditions from the North East of England
- **a bereavement service** to support adults and children coping with bereavement
- **support groups**
- **volunteer opportunities** in their hospice and charity shops
- **Lymphoedema Support Group** for people with Lymphoedema, their family and friends. Email them to find out more and for dates of the next meeting
- **23 charity shops** in the North East where you can donate or buy second hand items, including furniture, books, equipment and electrical goods.
