# Creative Central NCL

Creative Central NCL is an arts and culture project funded by the North of Tyne Combined Authority and Newcastle City Council.

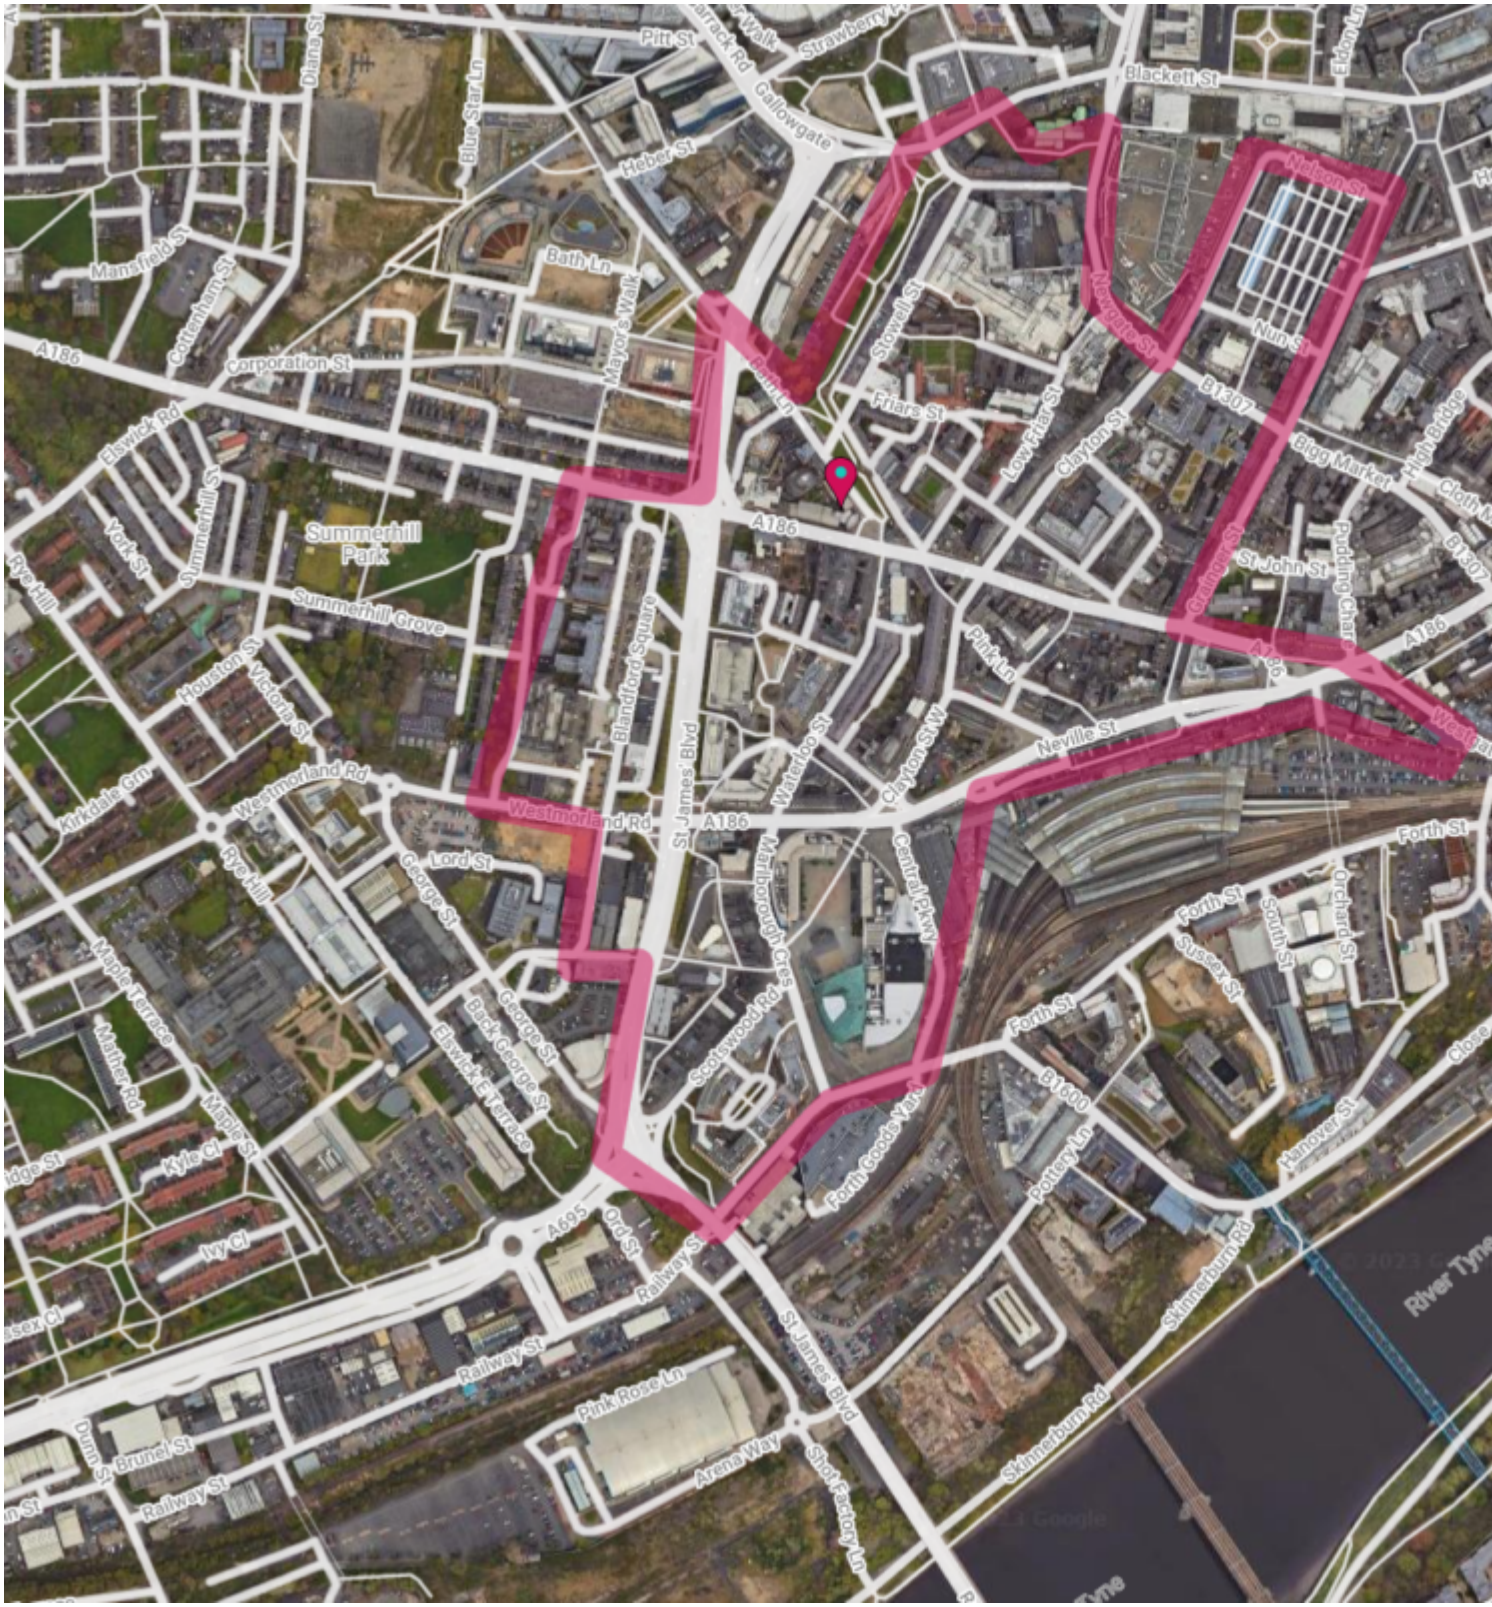

The project supports independent artists, creative professionals and cultural organisations. The project runs from 2022 – 2027.

Their work includes:

- Grants for things like workspaces, skills development, training, pilot schemes.
- Events and networking to join the dots and bring ideas or people together.
- Commissioning artists and creatives for specific projects in the Creative Central NCL geographic area.

They have a local arts and culture directory and list funding and commissioning opportunities
