Platform 60

Platform 60 is a website and online community forum for older people across the UK. Members are older campaigners, volunteers, community activists and others from a range of different organisations. Platform 60 allows people working or campaigning for Older people to share ideas, good practice and get feedback from people with similar experiences or goals.

Platform 60 is developed and run by older people for older people.

Their website and online community includes:

- A learning Hub
- Podcasts and talks
- Training and information
- Resources

Last updated: May 8, 2024
