Leazes Homes

Leazes Homes is a social housing provider. They offer a range of affordable housing options which includes: family homes, supported living for older people and specialist housing for people with additional care needs. For example they have specially adapted bungalows for people with physical disabilities, assisted living for adults with learning disabilities, and specialist schemes for adults with autism and other complex needs.

They provide support for their tenants such as:

- pay your rent online
- advice and support service
- benefits advice
- help to report anti-social behaviour
- help to adapt your home or get equipment to help you manage day to day tasks
- Ostara telecare

Leazes Homes is part of Karbon Homes. You can search and apply for housing online.
