RECONNECT

RECONNECT is a NHS service that helps people with health needs leaving prison to access health and support service in their community.

RECONNECT is for any one aged 18 or older leaving prison or immigration removal centre with an identified health need.

They can offer support for up to 12 weeks before you leave and 6 months after leaving prison, or when all health care needs are met.

The North East RECONNECT hub is based in Durham.

You can self refer or be directly referred by a health professional.
