

DLD Wheelchair Rental

DLD Wheelchair Rental provides a mobility hire service. Equipment hire and rental is available from 1 week to 12 weeks based around your own individual requirements.

They offer lightweight wheelchairs, commodes, rollator, tri-walker, toilet surround, raised toilet seat, shower chair and zimmer frames, at a low weekly cost, on flexible terms. This service could help you return home after a hospital stay, to go on holiday with friends or family, and to be independent.

Hiring medical equipment can often be a short term solution for a temporary lack of mobility. For example if you have a broken a leg or sustained an injury. Short term hire is an ideal solution for such a problem as it is often less expensive than buying a new wheelchair.
