Family Explorers North East

Family Explorers North East is a free service helping families to plan their days out and save money. Families are invited to sign up and receive hand-picked recommendations from 24 cultural venues across the North East every week, making choosing days out quicker and easier for anyone caring for children (including grandchildren, and great grandchildren).

They encourage families to share reviews of their visits so others can see honest and unbiased recommendations from families like them. There are also money saving tips and free tools to make exploring the North East easy, affordable and fun. Sign up for Family Explorers North East and access their special offers.
