Karbon Homes

Karbon Homes is a social housing provider with affordable homes to rent or buy in the North East. They also provide sheltered accommodation and supported living housing for older people.

You can buy or rent a home. They have Rent to Buy and Shared Ownership schemes. Tenants can use their support services to get help to look for a job or with your finances

Contact their Money Matters team for financial support for example energy costs, pension credit and welfare benefits

> Karbon Homes is commissioned by Newcastle City Council for mental health homeless accommodation and preventative support.
